Career Development Plan

Personalized guidance report | May 4, 2026

Specific Role | Writer

100%	75%	100%
ASSESSED	TECH (3/4)	SOFT (4/4)

1. Your career snapshot

Current Role: Writer
Industry: Creative
Experience: 0 years
Education: Other
Timeline: 6 months
Session Goal: Explore career options
Target Role: Writer

2. Recommended career path

Target Role: Writer

Your target role: Writer. Transitioning from Writer, you could leverage your strengths in Video creation and editing software, Web page creation and editing software, Graphics or photo imaging software while developing Presentation software.

Top Technical Skills for Writer

Skill	Required Level	Your Level
Video creation and editing software	Intermediate	Intermediate
Web page creation and editing software	Intermediate	Intermediate
Graphics or photo imaging software	Intermediate	Advanced
Presentation software	Intermediate	Beginner

Top Soft Skills for Writer

Skill	Required Level	Your Level
Writing	Basic	Intermediate
Reading Comprehension	Basic	Intermediate
Active Listening	Basic	Intermediate
Speaking	Basic	Intermediate

3. Skill gap analysis

Technical Skills

Skill	Required	Your Level	Status	Suggested Action
Video creation and editing software	Intermediate	Intermediate	On Track	Continue building on this strength
Web page creation and editing software	Intermediate	Intermediate	On Track	Continue building on this strength
Graphics or photo imaging software	Intermediate	Advanced	On Track	Continue building on this strength

Presentation software	Intermediate	Beginner	Needs Development	Consider starting with free tutorials and introductory courses

For technical skill gaps, you might explore free resources on YouTube and freeCodeCamp first, then consider structured courses on Coursera or edX as your learning progresses within your 6 months timeline.

Soft Skills

Skill	Required	Your Level	Status	Suggested Action
Writing	Basic	Intermediate	On Track	Continue applying this strength in your work
Reading Comprehension	Basic	Intermediate	On Track	Continue applying this strength in your work
Active Listening	Basic	Intermediate	On Track	Continue applying this strength in your work
Speaking	Basic	Intermediate	On Track	Continue applying this strength in your work

A note on soft skills: Many interpersonal and leadership skills develop most effectively through hands-on experience, mentoring, and real-world practice rather than formal coursework alone. While workshops and online resources can provide frameworks and techniques, the depth of these skills often comes from consistently applying them in professional settings. Consider seeking out projects, volunteer roles, or workplace opportunities that let you practice these skills regularly.

4. Development timeline

Estimated timeline: 6 months

Step 01: Priority 1

Develop Presentation software (currently: beginner, required: Intermediate)

Overall readiness

Assessment completion: 100% (8/8 skills rated)
Technical skills — at required level: 3/4 skills (75%)
Soft skills — at required level: 4/4 skills (100%)
Strength reflects skills you already rate as advanced/expert. Gaps are expected and are exactly what your development plan addresses.
